JOINT MOTION TO EXTEND DISCOVERY

The parties move the Court to enter an order extending discovery from December 4, 2006 to December 18, 2006. In support of this motion, the following is shown:

1. The parties are presently engaged in discovery and settlement negotiations. A number of depositions can not be scheduled until after the present discovery deadline of December 4, 2006.
2. If the discovery deadline were extended to December 18, 2006, that would permit continued settlement negotiations and possibly vitiate the expense and need for additional depositions. Mediation is presently scheduled for January 2007.
3. The extension of the discovery deadline would not adversely affect any other proceedings in this matter.
